

Hoggarth Family Tree  
 Agnes born 1847  
*compiled January 2006*

Henry entrusted Agnes, after the death of her mother, to her Great Uncle John Ellwood and his wife Agnes, *who may be Henry's older sister*.

By 1861, along with her cousin of the same name, Agnes is in service to the Barnes family of Garnett House, Bowstone, Strickland Ketel, near Kendal. Again there is a family connection in that Margaret, wife of Anthony Barnes, is the daughter of John Ellwood. Two of the Barnes children are witnesses to her marriage in 1877.

In 1901 William and Agnes live by themselves at Collin Field Farmhouse in Nethergraveship, the south side of Kendal. William is a Farm Bailiff. Their son, William, has returned to Strickland Ketel as a farm servant to Anthony Barnes (*son of above?*) One daughter, Mary Jane, looks to have married (*husband unknown*) and Sarah looks to be in domestic service in Bolton.

Cousin Agnes married in 1868 a George Hoggarth who is manager of a wine and spirits store in Dalton Road, Barrow in 1881. By 1897 they have moved back to Kendal where George is an Innkeeper in Highgate. George dies at Kendal in 1904, Agnes in 1908. They had at least two children.
